

Humanitarian Aid and Rescue Project

Operation SkyBox

Location: Afghanistan

Impact Report

Operational Date: 2021-Ongoing

Operational Note: To ensure the safety and security of all individuals involved, sensitive information regarding this operation, which has the potential to endanger lives, will not be disclosed. The protection and well-being of those affected will remain of utmost importance.

Introduction:

In response to the challenges faced during the departure of American civilians and allies in Afghanistan following the agreed withdrawal of U.S. forces under the Doha Agreement, HARP initiated Operation Skybox. This small and discreet collaborative effort, in partnership with other NGOs and security personnel, aimed to safely evacuate and relocate U.S. allies who were at risk from the Taliban and facilitate the repatriation of American citizens who had been left behind.

Requests:

HARP received confidential requests to assist in facilitating the departure of allies and U.S. citizens from Afghanistan. Out of respect for the sensitive nature of the operation and the privacy of individuals and organizations involved, specific details and identities cannot be disclosed. HARP maintains strict confidentiality and will continue to ensure the security and safety of those involved throughout the process.

Methods:

HARP utilized various methods to provide assistance, ensuring the safety and successful evacuation of allies and U.S. citizens from Afghanistan. These methods included using live satellite imagery for situational awareness, secure and reliable transportation arrangements, encrypted communication channels to ensure privacy and security, and deploying trained and trusted individuals to help facilitate the evacuation process. These measures were implemented to ensure the effectiveness and security of the operation while prioritizing the well-being of those being evacuated.

Results:

HARP has successfully facilitated the relocation of more than 100+ allies to secure surrounding areas, ensuring their safety amid the ongoing situation in Afghanistan. Additionally, HARP has played a crucial role in the successful repatriation of over 200+ U.S. citizens, assisting them in returning safely to the United States.

Impact:

The impact of HARP's efforts in this operation has been significant, as it has led to the reunification of individuals with their family members and the safe relocation of others to areas free from threats and potential loss of life. By facilitating the safe return of individuals to their loved ones and providing them with secure environments, HARP has brought much-needed relief and hope to those affected by the situation in Afghanistan.

Future Missions -How You Can Help

You can contribute significantly to the Humanitarian Aid and Rescue Project (HARP) and support their future operations by donating a generous donation today at www.HarpRescue.org. Your donation will be crucial in enabling HARP to continue its life-saving work in providing aid and assistance to those in need. Your support will directly impact the lives of individuals affected by conflict, natural disasters, and other challenging circumstances. Visit the website now to make a meaningful difference and join HARP in its mission to bring hope, relief, and a brighter future to those who need it most.
